Coding

EDUCATION

Siliguri Institute of Technology

2019 - 2023

I am currently studying in 3rd year, pursuing B. Tech in Information Technology. I started my coding journey when I was in my 2nd Semester and now, I am a two-star coder in LeetCode (<https://leetcode.com/ShamsTA/>).

PROJECT

AudiTune **Android Development**

March, 2022–April, 2022

AudiTune App is a Music player app developed using native android. To view the project resource file, please visit my [GitHub repository](#). AudiTune will search for all the audio mp3 files in your android device and list them for you to play any one of them. [Download apk](#).

ACHIEVEMENTS.

TCS CodeVita S10

May, 2022

I was able to solve questions in first round of TCS codeVita season 10 and qualify for second round. I ended up securing **3094** rank globally. [Click here](#) to see my certificate.

CERTIFICATE & COURSES

The Joy of Computing using Python NPTEL

January 2020– June 2020

Python is the first programming language that I learned and started my programming journey. To check my certificate [click here](#).

SKILLS
