OBJECTIVE

My objective is to become either a software engineer or a cloud developer and an open-source contributor. As a fresher, I want to contribute more and more in open source.

EDUCATION

B. Tech | Siliguri Institute of Technology

2019 – PRESENT

I am currently studying in 3rd year. I started my coding journey when I was in my 2nd Semester and now, I am a two-star coder in LeetCode(<https://leetcode.com/ShamsTA/>).

PROJECTS

AudiTune | Android Development

AudiTune App is a Music player app developed using native android. To view the project resource file, please visit my [GitHub repository](#). AudiTune will search for all the audio mp3 files in your android device and list them for you to play any one of them.

CERTIFICATES & COURSES

Architecting with Google Compute Engine | Coursera

NOVEMBER 2020 – MARCH 2021

I got this course from Google cloud through career readiness program. I started this course in November 2020 and finished this course in march 2021(approximately 16 weeks). The link for my accomplishment is-

<https://www.coursera.org/account/accomplishments/specialization/Y2QBY889TK2>

The Joy of Computing using Python | NPTEL

JANUARY 2020 – JUNE 2020

Python is the first programming language that I learned and started my programming journey. The link for my accomplishment is -

<https://nptel.ac.in/content/noc/NOC20/SEM1/Ecertificates/106/noc20-cs35/Assignment/Certificates/NPTEL20CS35S1PC391350.jpg>

SKILLS

- Java
- GCP (cloud computing)
- Android Studio
- Python
- Git and GitHub

ACTIVITIES

I like to play guitar in my free times and like to spend time listening music. I also spend considerable amount of time in learning and coding.
